**Subject: TCB justification for Post Market Surveillance according to KDB 610077 D01
FCC ID: 2ADAT-TJ1S8**

Dear Madam/Sir

This letter is the justification for not keeping a production sample on hand.
This has been verified and is acceptable for FCC ID: 2ADAT-TJ1S8. The company Hottinger Baldwin Messtechnik GmbH showed satisfactorily the production run of its Torque Transducer is very limited in quantity. Therefore we determine they may not be required to maintain a sample on hand as specified in "KDB 610077 D01 TCB Post Market Surveillance v06r01" from 2015-06-25.

If you have any queries, please do not hesitate to contact us.

Best regards
